#### **SUPPLEMENTARY INFORMATION:**

##### **I. Background**

The VIS Working Group is a newly created advisory committee established in accordance with Section 10 of the Protecting our Infrastructure of Pipelines and Enhancing Safety (PIPES) Act of 2016 (Public Law 114-183), the Federal Advisory Committee Act (FACA) of 1972 (5 U.S.C., App. 2, as amended), and 41 CFR 102-3.50(a).

## **II. Meeting Details and Agenda**

The VIS Working Group will consider and provide recommendations to the Secretary as specifically outlined in section 10 of Public Law 114-183:

- (a) The need for, and the identification of, a system to ensure that dig verification data are shared with in-line inspection operators to the extent consistent with the need to maintain proprietary and security-sensitive data in a confidential manner to improve pipeline safety and inspection technology;
- (b) Ways to encourage the exchange of pipeline inspection information and the development of advanced pipeline inspection technologies and enhanced risk analysis;
- (c) Opportunities to share data, including dig verification data between operators of pipeline facilities and in-line inspector vendors to expand knowledge of the advantages and disadvantages of the different types of in-line inspection technology and methodologies;
- (d) Options to create a secure system that protects proprietary data while encouraging the exchange of pipeline inspection information and the development of advanced pipeline inspection technologies and enhanced risk analysis;
- (e) Means and best practices for the protection of safety- and security-sensitive information and proprietary information; and
- (f) Regulatory, funding, and legal barriers to sharing the information described in paragraphs (a) through (d).

The Secretary will publish the VIS Working Group's recommendations on a publicly available DOT website. The VIS Working Group will fulfill its purpose once its recommendations are published online.

The agenda will be published on the PHMSA website.

Issued in Washington, DC on November 21, 2016, under authority delegated in 49 CFR 1.97.

Linda Daugherty,

Deputy Associate Administrator for Field Operations.
